

A woman with short dark hair, smiling warmly, is shown from the chest up. She is wearing a vibrant, patterned red and white top. Her hands are visible at the bottom, working on a red fabric piece. The background is a blurred brick wall.

Every Orphan's Hope

is raising \$2,100 to purchase 14 pedal-powered sewing machines for the mamas in Zambia. Yarn, thread, fabric, ribbon, and buttons of all colors are needed. Tools, such as scissors and needles, will also be appreciated. Every Orphan's Hope shares the love of Jesus Christ to widows and orphans in Zambia. We pair eight orphans with a widowed woman, whom they call "mama," and they form a new family. For more information, call 214-705-9364 or email michelle@everyorphan.org.
