

# I'M SPONSORING A CHILD! WHAT'S NEXT?

## CONNECT

You will receive a sponsorship packet in the mail that will include a photo and brief bio of your child, your child's house assignment, and a guide to help you connect with your child's house on Facebook.

## JOIN A COMMUNITY

Stay up-to-date with your child and get to know the other sponsors of your child on Facebook. Feel free to post a family photo!

## CORRESPOND

Write your child as many letters as you want! We hand-deliver your letters and your gifts on our trips to Zambia to ensure that every child receives something. The children are so grateful and hang their letters all over their house!

As a member of our sponsorship family, you'll receive our quarterly newsletter featuring news from Zambia, orphan spotlights, sponsor testimonies, prayer requests, and more!
