What used to be a Christmas bonus, is now an opportunity to go on a mission trip to minister to orphans in Zambia.

What used to be a college savings account, is now sending orphans to boarding school where they can learn how to become contributing members of society.

What used to be shares of stock in General Motors, is now a vehicle transporting food and supplies to orphans in Zambia.

What used to be a retirement fund, is now an investment in a sustainable business, the Chicks 4 Orphans poultry farm.

“But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also.” – Matthew 6:20-21 (NIV)

Donating   
**STOCK VS. CASH**

From shares on Wall Street to sharing the love of Christ to orphans in Zambia, giving stock has several advantages. Gifting shares of appreciated stock allows for a tax deduction of the full current market value at the time of your contribution—a great deal for both the grantor and Every Orphan’s Hope! We receive the entire benefit of the gift and you avoid capital gains tax. Ultimately, you’ll GIVE MORE at LESS OF A COST. You’ll pay less taxes, improve your cash flow, and have the chance to rebalance your portfolio...tax free! More importantly, your investment will bring hope to orphans in Zambia who have lost everything. **INTERESTED IN GIFTING STOCK? CALL US AT 214-705-9364.**
