

**Sponsorship makes an orphan's wish for a family come true.**

Take a look at Joesph, for example, (far left.) The light in his eyes stems from the drawing he made for his new-found friend, a sponsor.

Belita, next to him, is filled with gratitude as she prepares a warm meal, thanks to her sponsors' support.

Jacob and James (in the middle) share big smiles because they are off to school, an opportunity made possible by their sponsors.

Justin (next to them) can hardly wait to try out one of the baseball gloves, generously donated by a sponsor.

And, sweet Rebecca, proudly stands in front of her home—not a piece of cardboard—but a brick home that provides shelter, running water and a bed, because she has sponsors who care.

This is just a glimpse of the **JOY** sponsorship brings to a child. It is companionship; a warm, nutritious meal; an educational opportunity; and receiving gifts. It is a place called home and a wish for a family fulfilled.

**Sponsorship is the beginning of a life full of blessings. For an orphan and for you.**

**For just \$27 a month, you can experience the joy of sponsorship and make an orphan's wish come true.**
